Course Summary

This workshop will focus on helping teachers develop their skills in mould making, slipcasting and creating a platter using the flop mould technique.

Each teacher will complete a series of projects that will be taken home and used as samples in order to support their developing Ceramic programs.

Completing this Ceramics course will contribute 6.5 hours Elective Professional Development addressing the standards 6.2.2, 6.3.2 and 6.4.2 from the Australian Professional Standards.

To register, please fill out the enrolment form on the reverse side of this document.
