## Course Summary

This workshop looks at creating ceramic containers and could be seen as a follow on from workshop No 4. Participant will continue using clay forming and joining techniques that can be used within the art classroom.

This workshop incorporates pinchpot construction with lidded containers. Using sprig molds and carving to decorate the surface of our ceramic containers. Also using photo transfer technique on fired clay surfaces.

Each participant will complete a series of ceramic products that will be taken home and used as sample pieces in order to support their clay program development.

Completing this Ceramics course will contribute 6.5 hours Elective Professional Development addressing the standards 6.2.2, 6.3.2 and 6.4.2 from the Australian Professional Standards.
